Dear Warriors Parents,

Each year we have our Team DVD Fund Raiser. The DVD for each team has as many games as was able to be filmed or video provided. Team DVDs will have generally 5-6 games. This has been a very popular item for many hours of viewing, and a gift for relatives who haven't had the opportunity to see your player in action! Each team DVD has play by play video clips of the games available. While not filmed professionally the video's are well done, and edited so each game can be viewed in 15-20 minutes. We've never had anyone tell us it wasn't worth the price! Use the order form below to purchase your team video. DVD should be available as early as the equipment returns on October 24th and November 1st. Cost for each teams DVD is \$25.00ea, If ordered after 10/22 the cost is \$30.00ea.

Funds from the DVD sales are used to provide all coaches with gifts of appreciation from the Warriors program. Each coach will receive a DVD as a gift, coaches should only order if you would like additional copies.

GAME VIDEO ORDER
